Audit Committee

Our audit committee consists of Messrs. Hood (Chair) and Coats and Ms. Gupta and Venable. Each of them satisfies the independence requirements of Rules 5605(a)(2) and 5605(c)(2) of the NASDAQ Stock Market listing rules and Section 10A(m)(13) of the Exchange Act. Our audit committee met four times during 2021. Our audit committee is responsible for, among other things:

- appointing, terminating, compensating, and overseeing the work of any accounting firm engaged to prepare or issue an audit report or other audit, review or attest services;
- reviewing and approving, in advance, all audit and non-audit services to be performed by the independent auditor, taking into consideration whether the independent auditor's provision of non-audit services to us is compatible with maintaining the independent auditor's independence;
- reviewing and discussing the adequacy and effectiveness of our accounting and financial reporting processes and controls and the audits of our financial statements;
- establishing and overseeing procedures for the receipt, retention, and treatment of complaints received by us regarding accounting, internal accounting controls or auditing matters, including procedures for the confidential, anonymous submission by our employees regarding questionable accounting or auditing matters;
- investigating any matter brought to its attention within the scope of its duties and engaging independent counsel and other advisors as the audit committee deems necessary;
- determining compensation of the independent auditors and of advisors hired by the audit committee;
- reviewing and discussing with management and the independent auditor the annual and quarterly financial statements prior to their release;
- monitoring and evaluating the independent auditor's qualifications, performance, and independence on an ongoing basis;

- reviewing reports to management prepared by the internal audit function, as well as management’s response;
- reviewing and assessing the adequacy of the formal written committee charter on an annual basis;
- reviewing and approving related-party transactions for potential conflict of interest situations on an ongoing basis; and
- handling such other matters that are specifically delegated to the audit committee by our Board from time to time.

The Board has affirmatively determined that Mr. Hood is designated as an “audit committee financial expert” and that he meets the definition of an “independent director” for purposes of serving on an audit committee under the NASDAQ Stock Market listing rules. The designation does not impose on Mr. Hood any duties, obligations or liabilities that are greater than those generally imposed on members of our audit committee and our Board.

Compensation Committee

Our compensation committee consists of Messrs. Coats (Chair), Bennett and Hood. Each of Messrs. Coats, Bennett and Hood satisfy the independence requirements of Rules 5605(a)(2) and 5605(d)(2) of the NASDAQ Stock Market listing rules. In part because executive compensation decisions were made by all our independent directors in executive sessions of Board meetings during the year, our compensation committee did not hold any formal separate meetings during 2021. Our compensation committee is responsible for, among other things:

- reviewing and approving the compensation, employment agreements, severance arrangements, and other benefits of all of our executive officers and key employees;
- reviewing and approving, on an annual basis, the corporate goals and objectives relevant to the compensation of the executive officers, and evaluating their performance in light thereof;
- reviewing and making recommendations, on an annual basis, to our Board with respect to director compensation;
- reviewing any analysis or report on executive compensation required to be included in the annual proxy statement and periodic reports pursuant to applicable federal securities rules and regulations, and recommending the inclusion of such analysis or report in our proxy statement and periodic reports;
- reviewing and assessing, periodically, the adequacy of the formal written committee charter; and
- such other matters that are specifically delegated to the compensation committee by our Board from time to time.

Pursuant to its written charter, our compensation committee has the authority to engage the services of outside advisors as it deems appropriate to assist it in the evaluation of the compensation of our directors, principal executive officer or other executive and non-executive officers, and in the fulfillment of its other duties. Additionally, our compensation committee has the authority to review and approve the compensation of our other officers and employees and may delegate its authority to review and approve the compensation of other non-executive officer employees to specified executive officers.

Nominating and Governance Committee

Our nominating and governance committee consists of Ms. Venable (Chair) and Gupta and Mr. Bennett. Each of them satisfies the independence requirements of Rule 5605(a)(2) of the NASDAQ Stock Market listing rules. Our nominating and governance committee met twice during our 2021 fiscal year. It is responsible for, among other things:

- identifying and screening candidates for the Board, and recommending nominees for election as directors;
- consider any director candidates recommended by the Company’s shareholders pursuant to the procedures set forth in the Company’s bylaws;
- establishing procedures to exercise oversight of the evaluation of the Board and management;
- developing and recommending to the Board a set of corporate governance guidelines, as well as reviewing these guidelines and recommending any changes to the Board;
- reviewing the size and composition of the Board and its committees, and recommending to the Board for its approval directors to serve as members of each committee, and where appropriate, making recommendations regarding the removal of any member of any committee;

- developing and reviewing our code of conduct, evaluating management’s communication of the importance of our code of conduct, and monitoring compliance with our code of conduct;
- developing and recommending to the Board annual management succession and career development plans with respect to the Company’s senior management;
- reviewing and assessing the adequacy of the formal written committee charter on an annual basis; and
- generally advising the Board on corporate governance and related matters.

Family Relationships

There is no family relationship between any director, executive officer or person nominated to become a director or executive officer of our Company other than Mr. Sampson who is Mr. Harley’s father-in-law.

Delinquent Section 16(A) Reports

Section 16(a) of the Exchange Act requires our executive officers, directors, and persons who beneficially own more than 10% of a registered class of our common stock or other equity securities to file with the SEC certain reports of ownership and reports of changes in ownership of our securities. Executive officers, directors, and shareholders who hold more than 10% of our outstanding registered common stock are required by the SEC to furnish us with copies of all required forms filed under Section 16(a). Based solely on a review of this information and written representations from these persons that no other reports were required, we believe that, during the prior fiscal year all of our executive officers, directors, and 10% shareholders complied with the filing requirements of Section 16(a) of the Exchange Act, except for the following: Marco Fregenal, who filed a Form 4 on April 29, 2021 to report the March 5, 2021 grant to him of 8,359 shares of the Company’s common stock, and to his wife of 329 shares; Samantha Giuggio, who filed Forms 4 on April 29, 2021 to report the March 5, 2021 grant to her of 3,043 shares of the Company’s common stock, and on November 12, 2021 to report the April 1, and July 2, 2021 grant to her husband of 1 share, and to her of 30 shares on July 2, 2021; and Joshua Harley, who filed a Form 4 on April 29, 2021 to report the March 5, 2021 grant to him of 9,558 shares of the Company’s common stock.

Code of Conduct

We adopted a code of conduct relating to the conduct of our business by all of our employees, officers, and directors, as well as a code of ethics specifically for our principal executive officer and senior financial officers. We also adopted a corporate communications policy for our employees and directors establishing guidelines for the disclosure of information to the investing public, market analysts, agents, dealers, investment advisors, the media, and any persons who are not our employees or directors. Additionally, we adopted an insider trading policy to establish guidelines for our employees, officers, directors, and consultants regarding transactions in our securities and the disclosure of our material nonpublic information. Each of these policies is posted on our website *FathomRealty.com* under “*Investors – Governance – Governance Documents.*”

Narrative to Summary Compensation Table

We review compensation annually for all employees, including our Named Executive Officers. In setting annual base salaries and bonuses and granting equity incentive awards, we consider compensation for comparable positions in the market, individual performance as compared to our expectations and objectives, our desire to motivate our employees to achieve short- and long-term results that are in the best interests of our shareholders, and a long-term commitment to our Company.

Employment Agreements

We have not entered into employment agreements with any of our Named Executive Officers.

Annual Base Salary

Base salaries for our Named Executive Officers have generally been set at levels deemed necessary to attract and retain individuals with superior talent. The following table presents the annual base salaries for each of our Named Executive Officers for 2021, as determined by the non-employee members of the Board.

Name	2021 Base Salary
Joshua Harley	\$ 350,000
Marco Fregenal	\$ 350,000
Samantha Giuggio	\$ 250,000

Bonus Compensation

Our discretionary bonus plan motivates and rewards our Named Executive Officers for achievements relative to our goals and expectations for each fiscal year. Our Named Executive Officers are eligible to receive discretionary annual bonuses based on our compensation committee and Board's assessment of their individual performance and our Company's results of operations and financial condition.

Equity-Based Awards

Our equity-based incentive awards are designed to align our interests with those of our employees and consultants, including our Named Executive Officers. Our compensation committee is generally responsible for approving equity grants. Vesting of equity awards is generally tied to continuous service with us and serves as an additional retention measure. Our executives generally are awarded an initial new hire grant upon commencement of employment. Additional grants may occur periodically in order to specifically incentivize executives.

Our Board adopted, and our shareholders approved, the 2019 Plan, which effectively replaced our 2017 Stock Plan as we do not intend to grant any more awards under the 2017 Stock Plan. The 2017 Plan became effective on May 11, 2017. The 2019 Plan became effective on August 9, 2019.

The purpose of our 2019 Plan is to attract and retain real estate agents, employees, non-employee directors and consultants. Our 2019 Plan authorizes us to make grants to eligible recipients of non-qualified stock options, incentive stock options, restricted stock awards, restricted stock units and stock-based awards.

Other Compensation

Our Named Executive Officers did not participate in, or otherwise receive any benefits under, any pension or deferred compensation plan sponsored by us during 2021 or 2020.

Procedures for Approval of Related Party Transactions

Our audit committee, pursuant to its written charter, is responsible for reviewing and approving or ratifying any related party transaction reaching a certain threshold of significance. In the course of its review and approval or ratification of a related party transaction, the committee, among other things, considers, consistent with Item 404 of Regulation S-K, the following:

- the nature and amount of the related person's interest in the transaction;
- the material terms of the transaction, including, without limitation, the amount and type of transaction; and
- any other matters our audit committee deems appropriate.

Any member of our audit committee who is a related person with respect to a transaction under review will not be permitted to participate in the deliberations or vote regarding approval or ratification of the transaction. However, such director may be counted in determining the presence of a quorum at a meeting of the committee that considers the transaction.

Director Independence

The Board has established an audit committee, compensation committee, and nominating and governance committee. Our audit committee consists of independent directors Messrs. Hood (Chair) and Coats and Mses. Gupta and Venable. Our compensation committee consists of independent directors Messrs. Coats (Chair), Bennett and Hood. Our nominating and governance committee consists of independent directors Mses. Venable (Chair) and Gupta and Mr. Bennett.

Gupta and Venable are independent within the meaning of the NASDAQ Stock Market listing rules. In addition, the Board has determined that Messrs. Hood and Coats and Mses. Gupta and Venable each meets the additional test for independence for audit committee members and Messrs. Bennett, Coats and Hood each meets the additional test for independence for compensation committee members imposed by SEC regulation and the NASDAQ Stock Market listing rules.
